Dear CSRA Tennis Coach,

For the ninth year, the CSRA Tennis Association is offering a partial scholarship to senior high school tennis players. The CSRATA Ann Taylor Scholarship was created to award a partial college scholarship to one qualifying, graduating high school male and one qualifying, graduating high school female. In 2023, the awards were \$3,250 each.

To be considered for the Award a candidate must be on the high school varsity tennis team or a junior tennis player participating in USTA tournaments, have a minimum unweighted GPA of 3.0, have the intent to attend a college or university (later an acceptance letter from any university or college will be required), and residency within the geographic boundaries of the CSRATA.

Each candidate must submit the following articles:

1. A completed CSRATA Ann Taylor Scholarship application form (attached to this e-mail).
2. A letter from the varsity tennis coach recommending the player for the Award.
3. An essay of 1-3 pages in length on "What Tennis Means to Me".
4. Official transcript showing the graduating year fall semester cumulative unweighted GPA of 3.0 or better.

These submissions must be received by midnight March 31, 2024. From the pool of candidates received from the CSRATA area, 5-8 candidates with the most compelling essays as judged by the selection board will be called for follow-up interviews. Awards will be announced by May 1, 2024.

Please e-mail scanned coach's letters of recommendations, application forms, transcripts and student essays to CSRATATennisScholarship@yahoo.com. The required scholarship material must be submitted together. There is no limit to the number of nominations per school.

Sincerely,

Steven J. Cassell, Chairman
CSRATA Ann Taylor Scholarship
